YOUR CARE FROM KOREA

Gentle care for your skin

- Over 150 trending cosmetic assets
- The cutting-edge global achievements of Korean cosmetologists
- Up to 77% of natural components

The specialty of Korean skincare is moisture-infused, flawless well-moisturized skin

To achieve this effect, follow the skin care routine stages:

stage No. 1	**CLEANSING** It prepares the skin for the effective work of skin care products, gives it a fresh look and natural glow.
stage No. 2	**MOISTURIZING AND NOURISHING** Unique assets eliminate imperfections and nourish the skin
stage No. 3	**SPECIAL CARE** The finishing touch for a flawless, radiant look

stage № 1

CLEANSING

The most important stage of the famous Korean care is cleansing, because it prepares the skin for the effective work of care products, gives it a fresh look and natural radiance.

BASIC CLEANSING

HYDROPHILIC BALM

NEW

80 ml

ASSETS

- combination of 10 types of hyaluronic acid and its salts
- β-glucan and collagen
- olive oil
- metabiotic complex

Gently and effectively cleanses the skin, removing any impurities and the most heavy makeup. Gives the skin a pleasant feeling of cleanliness and moisturizing without the effect of tightness.

HYDROPHILIC OIL

ASSETS

- probiotics
- hyaluronic acid
- collagen
- rosehip oil

200 ml

Gently and effectively cleanses your skin, removing even water-resistant cosmetics and SPF products. Thanks to the valuable oils in the composition, it fills the skin with moisture and vitality.

CLEANSING FOAM

150 ml

ASSETS

- probiotics
- hyaluronic acid
- salicylic acid

It gently cleanses the skin from impurities and makeup residue, intensely moisturizes, promotes moisture retention, evens skin texture, improves its tone and complexion.

MOISTURIZING MIST

ASSETS

- probiotics
- hyaluronic acid
- collagen
- bakuchiol

110 ml

It helps restore the pH balance of the skin after washing and prepares it for further care. The active ingredients work more effectively on cleansed skin.

The skin periodically needs deep cleansing. Make it your weekly ritual, and your face will get a well-groomed and healthy look.

DEEP CLEANSING

BUBBLE POWDER

NEW

50 g

ASSETS

- vitamin c - 150,000 ppm
- charcoal powder
